SELF SHADOWS

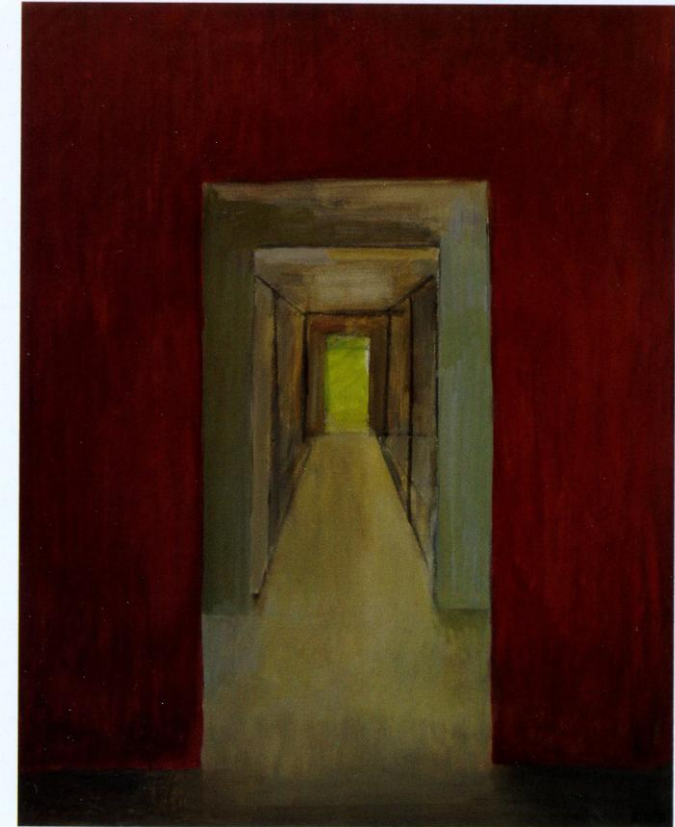

THE AMERICAS COLLECTION
PRIVATE & CORPORATE FINE ARTS DEALERS

4213 PONCE DE LEON BLVD. | CORAL GABLES | FLORIDA 33146

"This exhibition could have different titles because the paintings express different emotions. I have chosen "Self Shadows" because the self is accompanied by invisible multitudes as the American writer Walt Whitman describes in one of his poems. They hide in the anguish of an empty corridor, in the lack of communication, in the need for love, in the need for peace, in the feelings of not belonging, in the search for self-assertion and power. One has many facets shadowed by emotions, desires, love, regrets, memories..... and the pleasure of just being alive."
